Dear Mr. Crapo:

Road improvements and a parking lot were recently constructed under the above numbered mineral lease without the expressed written consent of the Trust Lands Administration. Lessee is hereby advised of the breach of Articles IV, XII and XV of the lease agreement and is notified pursuant to Article XIX that this lease shall be terminated in 30 days unless acceptable remedy is made prior to that time.

Remedy shall consist of reclamation to include removal of all surfacing materials, leveling of all berms, regrading of topsoil and reseeding of all disturbed areas.

Alternative remedy shall be for the lessee to complete an application and submit required fees to the Trust Lands Administration for a Special Use Lease Agreement covering the present surface use.

Please contact me if you have any questions in this matter.

Sincerely,

JOHN T. BLAKE
